SUBMISSION OF AMENDED ADS

Honorable Commissioner for Patents
U.S. Patent and Trademark Office
Randolph Building

Sir:

A review of the present application has revealed an error in the earlier filed ADS, as well as in the Combined Declaration and Power of Attorney. The present application is not a CIP of prior application 10/367,603, but instead such earlier filed U.S. application is an application from which the present International Application has claimed priority, i.e. the present application claims priority from three earlier applications, namely an application filed in Israel, a provisional application filed the U.S., and application 10/367,603.

Respectfully submitted,
